Single Cleaning includes:

- Hand washing of monument
- Hand removal of encroaching grass & dirt, organic materials from base and monument.
- Before & After digital photos.
- Trimming of trees and bushes at an additional cost, if allowed by cemetery regulations.
- An additional fee will be charged for monuments with significant overgrowth.

Annual Care Plan includes:

- 3 visits between May – October
- First visit includes the services of a Single Cleaning.
- Second & Third visit hand removal of encroaching grass & dirt, organic materials from base and monument.
- Removal of faded or wilted flowers, broken or old memorial items
- Before & After digital photos.

Even with a thorough cleaning, we may not be able to remove heavy staining. We cannot reverse erosion or restore a monument to original condition after years of neglect or natural weathering.

Rates listed below apply to Antrim County, Kalkaska County and Otsego County west of I-75. An additional fee will be applied to monuments outside this area. Call for a quote. Monument cleaning is available from May – October.
